Honorable Common Council:
 Gentlemen—We are returning here-

with the petition of Joseph T. Ryerson and Son, Inc., No. 6626, requesting the vacation of the north-south, and east-west public alleys located south of Euclid Avenue between Hartwick Avenue, and the Grand Trunk Railroad. The vacation of said alleys was approved by the City Plan Commission and the petition was then referred to this office by your Committee of the Whole for investigation and report.

We wish to advise that our investigations are completed.

As per our directive, the petitioner deposited with the City Treasurer the sum of \$3,550.00, Receipt No. C-28500, credited to the Department of Water Supply Fund Code No. 600(0000) (6232)001, said amount being the estimated cost of abandoning as existing water main and constructing a new water main in the area to be vacated.

The petitioner also paid into the City Treasury, the sum of \$320.63, Receipt No. A-42307, credited to the Department of Public Works Maintenance Fund Code No. 143-6241, said amount being the original cost of paving the south one-half of Euclid Avenue and the east one-half of Hartwick Avenue at the intersection of the alleys to be vacated.

All other City departments and privately owned utility companies reported that they will be unaffected by the vacation of said alleys, or that they have reached satisfactory agreements with the petitioner regarding their installations therein.

We recommend the adoption of the attached resolution.

Respectfully submitted,
GLENN C. RICHARDS,
 Commissioner.
