Honorable Common Council:

Gentlemen—We are returning herewith the petition of Edmund C. Deangelis, No. 6842, requesting the vacation of a portion of the north-south alley south of Marcus Avenue between Grace Avenue and Gratiot Avenue. The vacation of said alley was approved by the City Plan Commission and the petition was then referred to this office by your Committee of the Whole for investigation and report.

We wish to advise that our investigations are completed.

Proper provisions are incorporated into the vacating resolution protecting the City's interests in the sewer located in the alley to be vacated.

All other City departments and privately owned utility companies reported that they will be unaffected by the vacation of said portion of alley or that they have reached satisfactory agreements with the petitioner regarding their installations therein.

We recommend the adoption of the attached resolution.

Respectfully submitted,
GLENN C. RICHARDS,
Commissioner.

By Councilman Van Antwerp:

Resolved, That all that part of the north-south public alley, 10 feet wide, south of Marcus Avenue between Grace Avenue and Gratiot Avenue as platted in Burton and Dalby's Gratiot Avenue Subdivision of part of Sections 22 and 23 known as Private Claim 12, T.1S. R12E. Hamtramck and Gratiot Townships — Wayne County, Michigan as recorded in Liber 29, Page 96 of Plats, Wayne County Records lying east of and adjoining the easterly line of Lots 2 to 5 both inclusive and east of and adjoining the easterly line of the northerly 45.64

feet of Lot 1, all of the above mentioned subdivision of the above men-

tioned subdivision of the above mentioned parcel of the adjoining property subject to the following provisions:

1. Provided, That by reason of the vacation of the above-described alley, the City of Detroit does not waive any rights to the sewer located therein and at all times shall have the right to enter upon the premises, if found necessary, on account of said sewer to repair, alter, or service same; and further

2. Provided, That if a building is to be constructed over said sewer, the sewer shall be replaced with cast iron pipes of the same size, rerouted or enclosed in 6 inches of Class "A" concrete, or in lieu of the above, such work shall be done as will be specified by the City Engineer, all of the work mentioned to be done under the supervision and inspection of the Department of Public Works and all costs entailed to be borne by the petitioners, their successors, or assigns; and further

3. Provided, That no buildings shall be constructed over said sewer without the prior approval of such building construction by the City Engineer and the Department of Building and Safety Engineering; and further

4. Provided, That in the event that the sewer located in said alley, if built upon, shall break causing damage to any construction above, the petitioner and their assigns, by acceptance of the permit for building over said sewer, waive all claims for damages to such construction and agree to pay all costs incident to the repair of said broken sewer.

Adopted as follows:
