September 8, 1965.

Honorable Common Council:

Gentlemen—We wish to advise that in carrying out the development plan for the rehabilitation of the blighted area which is known as the Elmwood Park Project No. 1, Michigan R-40, which is being undertaken by the City pursuant to Act 344 of Public Acts of 1945, as amended, the Detroit Housing Commission (No. 10425) has requested the vacation of St. Aubin Street between Lafayette Avenue and Antietam Street subject to easements for underground utilities.

All City departments and privately owned utility companies reported that they will be unaffected by the vacation of the above mentioned street subject to the reservation of easements for underground utilities.

In view of the foregoing, it will be necessary to adopt a resolution vacating said St. Aubin Street between Lafayette Avenue and Antietam Street.

Respectfully submitted,

GLENN C. RICHARDS,
Commissioner.
