Gentlemen—Petition No. 10487 of the Chrysler Motors Corporation requests the vacation of the alleys in the block bounded by Gunston Avenue, Glenfield Avenue and Gratiot Avenue. The requested vacation was approved by the City Plan Commission and then referred to this department for investigation and report. This has been completed and the petition is returned herewith.

As per our directive, the petitioner deposited with the City Treasurer the sum of \$775.00, Receipt No. A-16801, credited to the Public Lighting Commission, Fund Code No. 990-9423, said amount being the estimated cost of rerouting PLC communication facilities from the alleys to be vacated.

The petitioner also deposited with the City Treasurer the sum of \$1,725.00, Receipt No. A-16799, credited to the Public Lighting Commission Fund Code No. 990-9423, said amount being the estimated cost of removing and rerouting PLC lighting facilities from the alley to be vacated.

The petitioner also paid into the City Treasury the sum of \$427.70, Receipt No. A-16800, credited to the Public Works Maintenance Fund Code No. 143-6241, said amount being the original cost of paving the north one-half of Gunston Avenue at the intersection of the alleys to be vacated.

The petitioner has requested that the paved alley returns at the entrances of the alleys to be vacated remain in their present status as the petitioner plans to utilize same and has agreed by letter filed with the original petition to pay all costs incidental to the removal of the return at such time in the future as the removal becomes necessary.

All other City Departments and privately owned utility companies reported that they will be unaffected by the vacation of said alleys or that they have reached satisfactory agreements with the petitioner regarding their installations therein.

The adoption of the attached reso-

lution is recommended.

Respectfully submitted,
GLENN C. RICHARDS,
Commissioner.
