#### Department of Public Works

June 8, 1965.

Honorable Common Council:

Gentlemen—We are returning herewith the petition of the Olympia Stadium Division of Norris Grain Company, No. 10994, requesting the vacation of a portion of the alleys in the block bounded by Grand River Avenue, Hooker Avenue, Lawton Avenue and McGraw Avenue. The vacation of said alleys was approved by the City Plan Commission with the recommendation that sufficient land be dedicated for a new alley outlet in McGraw Avenue. The petition was then referred to this office by your Committee of the Whole for investigation and report.

We wish to advise that our investigations are completed.

As per our directive, the petitioner deposited with the City Treasurer the sum of \$240.00, Receipt No. B-40412, credited to the Public Lighting Commission Fund Code No. 990-9423, said amount being the estimated cost of rerouting Public Lighting Commission facilities from the area to be vacated.

The petitioner has requested permission to privately reroute the existing lateral sewer located in the portion of alley to be vacated in order to clear the site for an addition to Olympia Stadium.

All work is to be done privately at the petitioners expense.

We are in receipt of a Quit Claim Deed from the petitioner to the City of Detroit deeding land for a new alley outlet into McGraw Avenue. Said deed was approved as to form and execution by the Corporation Counsel and as to description by the City Engineer and is attached for your Honorable Body's acceptance.

All other City departments and privately owned utility companies reported that they will be unaffected by the vacation of said alleys or that they have reached satisfactory agreements with the petitioner regarding their installations therein.

We recommend the adoption of the

attached resolution.

Respectfully submitted,  
GLENN C. RICHARDS,
