

Donald J. Van Eck, Petition No. 11724, to construct a garage encroaching 3-feet into the 6-foot easement at the rear of Lot 86 of Burleigh Park Subdivision located on the west side of Balfour Road south of Bremen Avenue commonly known as 4005 Balfour Road.

Frank T. Colosimo, Petition No. 11787, to construct a carport encroaching 6-feet into the 9-foot easement at the rear of Lot 203 of Madison Park Subdivision located on the west side of Oakfield Avenue north of Fargo Avenue commonly known as 20001 Oakfield Avenue.

Etta C. Patton, Petition No. 11790, to construct a garage encroaching 3-feet into the 6-foot easement located at the rear of Lot 403 of East Detroit Development Company Subdivision No. 1 located on the east side of Devonshire Road south of Munich Avenue commonly known as 4408 Devonshire Road.

J. E. Sweeney, Petition No. 11878, to construct a garage encroaching 3-feet into the 9-foot easement at the rear of Lot 93 of Blenheim Forest Subdivision located on the east side of Mendota Avenue south of St. Martins Avenue commonly known as 19482 Mendota Avenue.

Provided, That said permit shall be issued only after a certified copy of this resolution has been duly recorded by and at the permittee's expense in the Office of the Register of Deeds for Wayne County, and further

Provided, That no right in the public easement shall be considered waived by this permission which is granted expressly on the condition that the garage, driveway, building and all obstruction in connection therewith shall be removed at the expense of the grantee at any time when so directed by the Common Council, and further

Provided, If at any time in the future it becomes necessary to repair or replace the sewers or other utilities located or to be located in said easement, by the acceptance of this permission, the owners for themselves, their heirs and assigns, waive claims for any damages to the encroaching installations and agree to pay the costs incurred in their removal, if their removal becomes necessary, and to restore the property affected to a condition satisfactory to the Department of Public Works at the owners' expense, and further

Provided, That this resolution is revocable at the will, whim or caprice of the Common Council, and the grantees by the acceptance of this permission waive any right to claim damages or compensation for any driveways or structures constructed and maintained hereunder, or for removal of the same, and they acquire no implied nor any other privileges not expressly stated herein.

Adopted as follows:

Yeas—Councilmen Beck, Brickley, Connor, Poindexter, Ravitz, Rogell, Wierzbicki and President Carey—8.
Nays—None.

Department of Public Works

July 9, 1965.

Honorable Common Council:

Gentlemen—Contract PW-4566 is for the Paving of Chene from Lafayette to 102 Feet N. of Clinton—Elmwood Park Rehabilitation Project No. 1—Mich. R-40. L. A. Davidson is the Contractor.

After construction started a large basement was encountered which was not known to exist at the time the contract documents were prepared. Excavating and backfilling this basement involved substantial increases in the original quantities shown in the proposal for these two items. Based on unit prices quoted in the original bid, the total estimated cost amounted to \$9,021.95. This is subject to adjustment when final quantities are measured. Funds to cover this cost are available in Account 195-9213-943.

It is recommended that this work be added to the existing Contract PW-4566, in accordance with the contract provisions for changes in the work.

Respectfully submitted,
GLENN C. RICHARDS,
Commissioner.

Approved:

G. J. SAAM,

Deputy Controller.

Housing Commission,

Robert D. Knox, Director

By Councilman Wierzbicki:

Resolved, That the work described above be added to Contract PW-4566, Paving Chene from Lafayette to 102 Feet N. of Clinton—Elmwood Park Rehabilitation Project No. 1—Mich. R-40, for the reasons stated in the foregoing communication; and be it further

Resolved, That the Controller be and is hereby authorized and directed to honor vouchers when presented covering this additional cost in the estimated amount of \$9,021.95, and charge them to Account 195-9213-943 and be it further

Resolved, That the sum of \$4510.97 be transferred to Account 195-9213-943 from estimated Revenue Account 195-6221 Street Maintenance and Construction Reimbursement, subject to adjustment when final costs are known.

Adopted as follows:

Yeas—Councilmen Beck, Brickley, Connor, Poindexter, Ravitz, Rogell, Wierzbicki and President Carey—8.
Nays—None.

Department of Public Works

September 14, 1965.

Honorable Common Council:

Gentlemen—Petition No. 11286 of T. J. McCarthy Steamship Company, requests the vacation of sewer and

water main easements in Adair Street south of Jefferson Avenue.

The Department of Public Works and the Department of Water Supply have abandoned all existing sewers and water mains located in the above-mentioned easements and do not contemplate using said easements for their installations.

The adoption of the attached resolution vacating the easements is recommended.

Respectfully submitted,
GLENN C. RICHARDS,
Commissioner.

By Councilman Wierzbicki:

Resolved, That the easement granted to the Board of Water Commissioners of the City of Detroit for water main purposes dated January 11, 1894, recorded in Liber 9106, Page 346 of Deeds Wayne County Records and the easement granted to the City of Detroit for sewer purposes dated April 26, 1875, recorded in Liber 181, Page 180 of Deeds Wayne County Records, both easements being located east of Adair Street south of Jefferson Avenue, be and the same are hereby vacated as public easements.

Adopted as follows:

Yeas—Councilmen Beck, Brickley, Connor, Poindexter, Ravitz, Rogell, Wierzbicki and President Carey—8.

Nays—None.

Department of Public Works

September 14, 1965.

Honorable Common Council:

Gentlemen—We return herewith Petition No. 12069 of Project Five Incorporated, 400 North Woodward Avenue, Royal Oak, requesting permission to install a lateral sewer under private contract in the alley immediately south of and parallel to West Eight Mile Road and west of Stahelin to serve previously unsewered property at the southwest corner of Stahelin and West Eight Mile Road. All work is to be done privately at the petitioner's expense.

It is recommended that the petition be granted in accordance with the following resolution.

Respectfully submitted,
GLENN C. RICHARDS,
Commissioner.

By Councilman Wierzbicki:

Resolved, That the Commissioner of Public Works be and is hereby authorized and directed to prepare the necessary plans and specifications and to issue a permit to the petitioner (No. 12069) to cover the construction of a lateral sewer in the alley south of West Eight Mile Road and west of Stahelin;

Provided, The entire work is performed in accordance with plans and specifications of the City Engineer's Office, and under the supervision of the Inspection Division of the Department of Public Works; and further

Provided, That the entire cost of

the improvement, including engineering and inspection, shall be borne by the petitioner; and further

Provided, That the petitioner shall deposit with the Department of Public Works, in advance of plan preparation, such amount as the City Engineer's Office deems necessary to cover the costs of preparing plans and specifications; and further

Provided, That the petitioner shall also deposit with the Department of Water Supply, in advance of construction, such amounts as the Department of Public Works deems necessary to cover the costs of inspection and other services as shall be required.

Adopted as follows:

Yeas—Councilmen Beck, Brickley, Connor, Poindexter, Ravitz, Rogell, Wierzbicki and President Carey—8.

Nays—None.
