Honorable Common Council:

Gentlemen—We are returning herewith the petition of the Detroit Athletic Club No. 9318, requesting the vacation of Cross Street between John R. and Randolph Streets. The vacation of said street was approved by the City Plan Commission and was then referred to this office by your Committee of the Whole for investigation and report.

We wish to advise that our investigations are completed.

The petitioner deposited with the City Treasurer the sum of \$525.00, Receipt No. B-40062, credited to the Detroit Fire Department Fund Code No. 990-9406, said amount being the estimated cost of relocating one fire hydrant necessitated by the vacation of said street.

The petitioner paid into the City Treasury the sum of \$580.61, Receipt No. B-40063, credited to the Public Works Maintenance Fund Code No. 143-6241, said amount being the original cost of paving the east 1/2 of John R. Street and the west 1/2 of Randolph Street at the intersection of Cross Street to be vacated.

The petitioner has requested that the paved street returns remain in their present status as the petitioner plans to utilize same and has agreed by letter, filed with the original petition, to pay all costs incidental to the removal of the returns at such time in the future as the removal becomes necessary.

We are in receipt of a communication from the Surplus Real Property Committee, filed with the original petition, wherein they acknowledge

the receipt of payment of \$48,224.00 for conveyance of title and vacation of said Cross Street, inasmuch as said street is a part of the Governor and Judges Plan.

All other City departments and privately owned utility companies reported that they will be unaffected by the vacation of said street or that they have reached satisfactory agreements with the petitioner regarding their installations therein.

We recommend the adoption of the attached resolution.

Respectfully submitted,
GLENN C. RICHARDS,
Commissioner.
