Department of Public Works

June 22, 1966.

Honorable Common Council:

Gentlemen—Petition No. 11942 of Jerome H. Rodgers, et al., requesting the vacation of Riverview Avenue between Fenkell Avenue and Keeler Avenue and the east-west public alley first north of Fenkell Avenue and east of Riverview Avenue, has been referred to this office for investigation and report. This has now been completed.

All City departments and privately-owned utility companies reported that they will be unaffected by said vaca-

tions, or that they have reached satisfactory agreements with the petitioner regarding their installations therein.

As per your instructions in the resolution of April 26, 1966, J.C.C. 1159, the resolution prepared for the said vacations is to incorporate an exchange of property between the petitioner and the City of Detroit which owns property adjacent to the petitioner's property. The Quit Claim Deed from the City has been prepared and the Warranty Deed to the City has been checked for form by the Corporation Counsel.

Adoption of the attached resolution is recommended.

Respectfully submitted,
GLENN C. RICHARDS,
Commissioner.
