Honorable Common Council:

Gentlemen—Petition No. 41 of Toney Stiles requests the vacation of Stahelin Avenue between Plymouth Road and Weaver. The requested vacation was approved by the City Plan Commission and then referred to this department for investigation and report. This has been completed and the petition is returned herewith.

The Board of Fire Commissioners, the Department of Water Supply, and Sewer Design Bureau of the DPW

object to the vacation of the aforementioned street without the provision of an easement for their use, because of a six-inch water main and an existing sewer.

All other city departments and privately owned utility companies reported that they will be unaffected by the vacation of said street or that they have reached satisfactory agreement with the petitioner regarding any installations they may have therein.

The adoption of the attached resolution is recommended.

Respectfully submitted,
 GLENN C. RICHARDS,
 Commissioner.
