#### Department of Public Works

August 30, 1966.

Honorable Common Council:

Gentlemen—Petition No. 822 of the Michigan Consolidated Gas Company requests the vacation of the east-west public alley west of the John C. Lodge Freeway Service Drive south of Noble Street. The requested vacation was approved by the City Plan Commission and then referred to this department for investigation and report. This has been completed and the petition returned herewith.

The Michigan Bell Telephone Company reports that they have no objections to the proposed alley vacation provided an easement is retained over the southerly 12.00 feet of the alley.

The petitioner has requested that the paved alley return at the entrance to the alley to be vacated remain in its present status as the petitioner plans to utilize same and has agreed by letter filed with the original petition to pay all costs incidental to the removal of the return at such time in the future as the removal becomes necessary.

All other City departments and privately owned utility companies report that they will be unaffected by the proposed vacation or that they have reached satisfactory agreements with the petitioner regarding their installation therein.

The adoption of the attached resolution is recommended.

Respectfully submitted,  
RALPH E. SCHINK,  
Acting Commissioner.
