Department of Public Works

April 12, 1967.

Honorable Common Council:

Re: Petition No. 10962, Board of Wayne County Road Commissioners, Alley Vacation.

Gentlemen —The above petition requests the vacation of a portion of the east-west public alley, 18 feet wide, east of Green Avenue, south of Lafayette.

The requested vacation was approved by the City Plan Commission. The petition was then referred to us for investigation and report. Our report, accompanied by the original petition, is as follows:

The petitioner has made the following deposits with the City Treasurer, which have been credited to the departments and accounts named, for the purposes indicated.

Street Maintenance Division Fund 143-6241, Receipt No. C-30675 in the amount of \$104.86, for the original cost of paying the east one-half of Green, at the intersection of the alley to be vacated, south of Lafayette.

An easement is reserved in the vacation resolution for the Detroit Edison Company, Michigan Bell Telephone Company, and the Department of Water Supply, for the maintenance of its installations located in the public right-of-way to be vacated.

Proper provisions are incorporated into the vacation resolution protecting the City's interest in sewers located or to be located in the public right-of-way to be vacated.

All other involved City departments and privately-owned utility companies reported that they have no objection to the proposed vacation or that they have reached satisfactory agreements with the petitioner regarding their installations therein.

The adoption of the attached

resolution is recommended.

Respectfully submitted,  
ROBERT E. TOOHEY,  
Commissioner.
