

dale; Petition No. 3278, Sponsor Arthur Milligan, Alley Bounded By E/W—Linwood-LaSalle-Sturtevant-Fullerton.

Gentlemen—We are returning herewith the above minority petitions protesting the proposed residential alley paving.

The paving of the above alleys was instigated by petitions signed by the owners of a majority of the abutting properties. These are still majority petitions.

Inasmuch as the protest petitions do not represent the owners of a majority of the abutting properties, we recommend that the minority protest petitions be denied.

Respectfully submitted,
ROBERT E. TOOHEY,
Commissioner.

By Councilman Miriani:

Resolved, That Minority Protest Petitions Nos. 3277 and 3278 be and the same are hereby denied.

Re: Petition No. 2509, Conway Foundry Co. Alley Vacation and Dedication.

Gentlemen—The above petition requests the vacation of a portion of the east-west public alley east of Ackley Avenue between Legrand Avenue and Varney Avenue.

The requested vacation was approved by the City Plan Commission with the recommendation that sufficient land be dedicated for a new alley outlet into Legrand Avenue.

The petition was then referred to us for investigation and report. Our report, accompanied by the original petition, is as follows.

The petitioner has made the following deposits with the City Treasurer, which have been credited to the departments and accounts named, for the purposes indicated:

Department of Public Works (Permit Division), Receipt No. GR 14450, \$350.00.

For estimated cost to stone and grade the newly deeded alley.

A Quit Claim Deed has been received from the petitioner, deeding to the City of Detroit, land for the new alley outlet into Legrand Avenue. This deed was approved as to form and execution by the Corporation Counsel and as to description by the City Engineer, and is attached for your Honorable Body's acceptance.

Proper provisions are incorporated into the vacating resolution protecting the City's interest in sewers located or to be located in the public right-of-way to be vacated.

All other involved City departments and privately owned utility companies reported that they have no objection to the proposed vacation or that they have reached satisfactory agreements with the petitioner regarding their installations therein.

The adoption of the attached resolution is recommended.

Respectfully submitted,
ROBERT E. TOOHEY,
Commissioner.
