Recorder's Court Jury Commission
 March 28, 1969

Honorable Common Council:

Gentlemen — The Recorder's Court Jury Commissioners functioning under Act, No. 330, P. A. 1931, known as the "Municipal Court Jury Code", are permitted at present 245 paid Meetings per year.

The Jury Commissioners are requesting an additional 5 Meetings bringing the total up to 250 Meetings per year, effective in the current fiscal year of 1968-69. This would mean an increase in our salary account of only \$137.50 since only one Commissioner would be eligible for the additional time this year.

With the increase of Judges in Recorder's Court and the greater demand for jury trials it is necessary to process 30,400 individuals each year to meet the Courts actual request for 3,745 jurors during 1968.

The Commissioners are interviewing 12 to 14 weeks every six months, in
