Honorable Common Council:

Re: Petition Nos. 7303 and 7901, Bank of the Commonwealth, Alley Vacation first north of Warren between Evergreen and Plainview.

Gentlemen—The above petition requests the vacation of a five foot strip of the east-west public alley 16 feet wide, first north of Warren between Evergreen and Plainview.

The requested vacation was recommended by City Plan Commission, with the recommendation that sufficient land be dedicated to maintain a 16 foot alley right-of-way.

The petition was then referred to us for investigation and report. Our report, accompanied by the original petition is as follows:

A Quit Claim Deed has been received from the petitioner, deeding to the City of Detroit, land for the new alley right-of-way. This deed was approved as to form and execution by the Corporation Counsel and as to description by the City Engineer, and is attached for your Honorable Body's acceptance.

The Sewer Design Bureau of the Detroit Metropolitan Water Services, as a stipulation for their agreement, directs that building plans for the vacation section of alley be submitted for their approval.

All other involved City departments and privately-owned utility companies reported that they have no objection to the proposed vacation or that they have reached satisfactory agreements with the petitioner regarding their installations therein.

The adoption of the attached resolution is recommended.

Respectfully submitted,
ROBERT P. ROSELLE
Commissioner
