Honorable Common Council:

Re: Petition Protesting the Proposed Paving of the EW Alley Bounded by Waterman, Rademacher, Rankin and Fort.

Gentlemen — Returned herewith is Petition No. 1423 protesting the proposed paving of the EW Commercial Alley bounded by Waterman, Rademacher, Rankin and Fort. Inasmuch as there is a possibility that the library may be relocated, we recommend that the protest petition be granted and that your previous order to pave this alley be rescinded.

Respectfully submitted,

September 25, 1970

Honorable Common Council:

Re: Petition No. 798, Lenora A. Lotowicz, et al, Alley Bounded by Sharon, Homedale, Ford Freeway and McGraw, Conversion to Easement.

Gentlemen — The above petition requests the conversion of the north-south public alley 10 feet wide in the block bounded by Sharon, Homedale, the Ford Freeway and McGraw into an easement for public utilities.

The requested conversion into easement for public utilities was recommended by City Plan Commission. The petition was then referred to us for investigation and report. Our report, accompanied by the original petition is as follows:

All City departments and privately-owned utility companies reported that they will be unaffected by the conversion to an easement of said alley or that they have reached satisfactory agreements with the petitioner regarding their installation therein.

An appropriate resolution is attached for your Honorable Body consideration.
