Department of Public Works

July 30, 1971

Honorable Common Council:

RE: Petition No. 2702

General Motors Corporation

Vacation of Dallas and Alger Streets between Greeley and the Grand Trunk Railroad

Gentlemen — The above petition requests the vacation of a portion of Dallas and Alger Streets between Greeley and the Grand Trunk Railroad. The requested vacation was recommended by the City Plan Commission. The petition was then referred to us for investigation and report. Our report, accompanied by the original petition, is as follows:

The petitioner has made the following deposit with the City Treasurer, which has been credited to the department and account named, for the purpose indicated:

Public Lighting Commission
Fund 990-9423 \$400.00
Receipt No. C-2745

For the estimated cost to remove street lighting facilities

An easement is reserved in the vacating resolution for the Detroit Metro Water Department and the Detroit Fire Department for the maintenance of their installations located in the public right-of-ways to be vacated.

All other involved City departments and privately-owned utility companies reported that they have no objection to the proposed vacation or that they have reached satisfactory agreements with the petitioner regarding their installations therein.

An appropriate resolution is attached for consideration by your Honorable Body.

Respectfully submitted,
CLARENCE C. RUSSELL
Commissioner

By Councilman Wierzbicki:

Resolved, That all that part of Alger Avenue, 50 feet wide, between Greeley Street and the Grand Trunk Railroad

Right - of - Way lying southerly of lots 75 to 78 and the easterly 10 feet of lot 79, and the vacated 16 foot alley abutting the easterly line of said lot 75; lying northerly of lots 99 to 102, and the easterly 10 feet of lot 98 and the vacated 16 foot wide alley abutting the easterly line of said lot 102 all inclusive of Russell and Bigelow's Subdivision of part of the easterly $\frac{1}{2}$ of $\frac{1}{4}$ Section 43, 10,000 Acre Tract, Hamtramck, Wayne County, Michigan, as recorded in Liber 12, Page 27, Plats, Wayne County records,

Be and the same is hereby vacated as a public street to become a part and parcel of the abutting property, and be it further

Resolved, That all that part of Dallas Street, 50 feet wide, not previously vacated between Greeley Street and the Grand Trunk Railroad Right - of Way, lying southerly of lots 50 to 60 and northerly of lots 61 to 71 inclusive of Russell and Bieglow's Subdivision as recorded in Liber 12, Page 27, Plats, Wayne County records; and lying southerly of lot 112 and northerly of lot 104 of Reutter's Subdivision of part of the east $\frac{1}{2}$ of $\frac{1}{4}$ Section 43, 10,000 Acre Tract, Hamtramck, Michigan as recorded in Liber 12, Page 30, Plats, Wayne County records,

Be and the same is hereby vacated as a public street to become a part and parcel of the abutting property, subject to the following:

1. An easement, the full width of the existing Dallas Street Right - of - Way is reserved for the Detroit Metro Water Department and the Detroit Fire Department for the purpose of installing, maintaining, repairing, removing or replacing any water mains, fire hydrants and appurtenances with the right of ingress or egress at any time to, and over said easement for the purpose above set forth.

Free and easy access to the water mains, fire hydrants and appurtenances within the easement, is required for Detroit Metro Water Department equipment including the use of backhoes, bulldozers, cranes or pipe trucks and other heavy construction equipment as necessary for alteration or repair of the water main and facilities. The Detroit Metro Water Department retains the right to install suitable permanent water main location guide posts over its water mains at reasonable intervals and at points of deflection.

2. Said owners of the adjoining property for their heirs and assigns agree that no building or structure of any nature whatsoever, shall be built upon said easement or that no grade changes or storage of materials shall be made within said easement without prior written approval and agreement with the Detroit Metro

Water Department. A gate may be placed across the easement. The minimum dimensions of the gate, or gates, must provide 13 feet vertical and 13 feet horizontal clearance for freedom of D.M.W.D. equipment movement. In addition, the owners shall install breakaway locks on the gate at the west end of vacated Dallas and the gate at the north end of the north - south alley adjacent to the petitioner's property extending between Dallas and Alger and abutting the Grand Trunk Railroad.

3. That if at any time in the future, the owners of any lots abutting on said vacated street shall request the removal and - or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and - or relocation. It is further provided that if water mains, and - or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event the owner or assigns shall be liable for all costs incident to the repair of such broken or damaged mains and shall also be liable for all claims for damages resulting from his action.
