Honorable Common Council:

Re: Petition No. 2274; Department of Parks & Recreation; Vacation of Brewster Street west of the Chrysler Freeway and the east-west alley west of the Chrysler Freeway between Brewster and Alfred.

Gentlemen — The above petition requests the vacation of the above described street and alley. The requested vacations were recommended by the City Plan Commission. The petition was then referred to us for investigation and report. Our report, accompanied by the original petition, is as follows:

The petitioner has requested that the paved returns at the entrance to Brewster and the alley to be vacated remain in their present status as the petitioner plans to utilize same, and has agreed by letter filed with the original petition to pay all costs incidental to the removal of same whenever the discontinuance of use makes such removal necessary.

An easement is reserved in the vacating resolution for the Michigan Consolidated Gas Company and the Detroit Metro Water Department for the maintenance of their installations located in Brewster Avenue to be vacated.

All other involved City departments and privately-owned utility companies reported that they have no objection to the proposed vacations or that they have reached satisfactory agreements with the petitioner regarding their installations therein.

An appropriate resolution is attached for consideration by your Honorable Body.

Respectfully submitted,
CLARENCE C. RUSSELL
Commissioner
