Department of Public Works

March 19, 1973.

Honorable Common Council:

Re: Contract PW-5347, For:
Resurfacing — Mt. Elliott, from
Outer Drive to Eight Mile Road,
Adjusted Contract Price:
\$42,188.92. Contractor: The Cooke
Contracting Co.

Gentlemen — This is to certify that all work required of the Contractor in the performance of this Contract has been fully completed and found acceptable under the terms and conditions thereof, and that the total value of such completed work, including all Contract Changes duly issued, is that stated above as the Adjusted Contract Price.

The Contractor has submitted an affidavit that all payrolls, material bills, and all other indebtedness incurred by him in connection with the work have been paid except items specifically listed as unpaid. The Surety has given written consent to final payment notwithstanding such unpaid items.

It is therefore recommended that the total value of the work, as above stated, less the total amounts previously paid on all progress payments, be paid to the Contractor with the understanding that such payment is made by the City and accepted by the Contractor under the Contract provisions covering final payment.

R. C. MONAHAN, R.V.P.
 Engineer of Inspection.
 LOUIS W. KLEI,
 City Engineer.
 CLARENCE C. RUSSELL,
 Commissioner.

By Councilman Wierzbicki:

Whereas, from the foregoing communication, it appears that all work required to be performed by the Contractor under the Contract therein named has been fully completed; and

Whereas, the completed work has been found acceptable under the terms and conditions of said Contract by the Department for whom the work was performed; therefore be it

Resolved, That the said Contract be and is hereby accepted.

Adopted as follows:

Yeas — Councilmen Browne, Eberhard, Henderson, Hood, Rogell, Wierzbicki, and President Ravitz — 7.

Department of Public Works

March 23, 1973

Honorable Common Council:

Re: Petition No. 5226
Clyde W. Hall
Conversion to Easement of

Mettetal Avenue
South of Joy Road

Gentlemen—The above petition requests the conversion of Mettetal Avenue south of Joy Road into an easement for public utilities. The requested conversion into easement for public utilities was recommended by the City Plan Commission. The petition was then referred to us for investigation and report. Our report, accompanied by the original petition, is as follows:

The petitioner has made the following deposit with the City Treasurer, which has been credited to the department and account named, for the purpose indicated:

Public Lighting Commission
 Fund 990-9423 \$500.00

For the estimated cost to remove lighting facilities from the street to be vacated.

The petitioner has also requested that he be allowed to place a sanitary sewer in the public easement to serve his proposed buildings. The Detroit Metro Water Department has no objection as long as the work is done according to City specifications, permit, and inspection with the entire cost being borne by the petitioner.

All other involved City departments and privately-owned utility companies reported that they have no objection to the proposed conversion or that they have reached satisfactory agreements with the petitioner regarding their installations therein.

The adoption of the attached resolution is recommended.

Respectfully submitted,
 CLARENCE C. RUSSELL,

Commissioner

By Councilman Wierzbicki:

RESOLVED, That all that part of Mettetal Avenue, 50 feet wide, south of Joy Road abutting the front line of lots 241 to 252 and lots 129 to 135 and the 18 foot alley abutting the southerly line of lot 135 of Bassett and Smith's Tireman Avenue Subdivision of part of the West 1/2 of the Northwest 1/4 of the Northeast 1/4 and part of Southwest 1/4 of the Northeast 1/4, Section 1, T.2S., R.10.E., Dearborn Township, Wayne County, Michigan, as recorded in Liber 44, Page 7, Plats, Wayne County records,

Be and the same is hereby vacated as a public street and is hereby converted into a public easement of the full width of the street, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said street and by their heirs, executors, administrators and assigns, forever to wit:

FIRST, said owners hereby grant to and for the use of the public an easement or right of way over said vacated street hereinabove described for the purposes of maintaining, in-

re-stalling, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public street in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth.

SECOND, said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including but not limited to concrete slabs or driveways, retaining or partition walls (except necessary line fence) shall be built or placed upon said easement, nor any change of surface grade made, without prior approval by the Department of Public Works,

THIRD, that if at any time in the future the owners of any lots abutting on said vacated street and alley shall request the removal and/or relocation of any existing poles or other utilities in said easement, such owners, upon whose property the poles or other utilities are located shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

PROVIDED FURTHER, that if any utility located or to be located in said property shall break or be damaged as a result of any action on the part of the petitioner or assigns (by way of illustration but not limitation), such as storage of excessive weights of materials or construction not in accordance with Section 2, mentioned above, then in such event the petitioner or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility, and be it further

RESOLVED, That the petitioner be allowed to construct a sewer in the public utility easement to service his buildings and that work be done by City Permit and inspection and according to Detroit Metro Water Department specifications with the entire cost being borne by the petitioner.

Adopted as follows:

Yeas — Councilmen Browne, Eberhard, Henderson, Hood, Rogell, Wierzbicki, and President Ravitz — 7.
