Honorable Common Council:
Re: Petition No. 5622, J. Henry Nebel, et al. Conversion to Easement of the north-south public alley in the block bounded by Outer Drive, Wayburn, Evanston, and Wade.

The above petition requests the conversion of the public alley in the above described block into an easement for public utilities. The requested conversion into easement for public utilities was recommended by the City Plan Commission. The petition was then referred to us for investigation and report. Our report, accompanied by the original petition is as follows:

All City departments and privately-owned utility companies reported that they will be unaffected by the conversion to an easement of said alley or that they have reached satisfactory agreements with the petitioner regarding their installation therein.

The adoption of the attached resolution is recommended.

Respectfully submitted,
CLARENCE C. RUSSELL
Commissioner
