

In accordance with the authorization granted by your Honorable Body on February 1, 1972 (J.C.C. page 194), I hereby submit for confirmation of contracts between the City of Detroit and Lake Forest College for the operation of the Urban Corps program.

The cost of the program to the city is twenty per cent (20%) of students' wages for those students placed in city departments. For students placed in non-city agencies the city will realize a ten per cent (10%) revenue above student wages.

This contract has been executed by both parties and has been approved by the Corporation Counsel's office.

Respectfully submitted,
SPANIEL BENNETT
 Director

Approved:
D. O. GREEN
 Controller

By Councilman Kelley:

Resolved, That the contract with Lake Forest College, referred to in the foregoing communication, be and the same is hereby confirmed.

Adopted as follows:

Yeas — Councilmen Browne, Cleveland, Eberhard, Henderson, Kelley, and President Levin — 6.

Nays — None.

Metro Water Dept.
 February 5, 1974

Honorable Common Council:
 Re: Petition No. 57 of Detroit & Canada Tunnel Corporation, Requesting the Vacation of the Sewer Easement Between Woodbridge, Randolph, Atwater and Ford Auditorium.

There is returned herewith Petition No. 57 of the Detroit and Canada Tunnel Corporation requesting the vacation of the sewer easement retained in the vacation of the so called Polline Alley lying in the block bounded by Bates, Randolph, Atwater and Woodbridge.

Since the sewer only serves the Petitioner's property the easement retained in the alley vacation can now be abandoned.

It is recommended that the Petition be granted in accordance with the attached resolution.

Respectfully submitted,
E. CEDRONI
 General Manager

By Councilman Browne:

Resolved, That the sewer easements retained by Common Council Resolution of January 8, 1929 (JCC pg. 46) for "All of the so called Polline Alley," 20 ft. wide, lying in the block bounded by Bates, Randolph, Atwater and Woodbridge Streets, and as platted on the Plat of part of the City of Detroit as divided into lots by R. J. Kimball, agent for Peter Berthelet, proprietor, as recorded in Liber 3, Pages 472 and 473 of City Records; and also for all of the public alley, 20

feet wide, lying in the rear of lots 72 and 73 of said subdivision.

Be and the same are hereby vacated and cancelled as sewer easements.

Adopted as follows:

Yeas — Councilmen Browne, Cleveland, Eberhard, Henderson, Kelley, and President Levin — 6.

Nays — None.

Board of Water Commissioners
 February 8, 1974

Honorable Common Council:
 Re: Contract for Large Volume Gas Service - City of Detroit Sewage Plant.

On October 16, 1956, your Honorable Body approved and confirmed an agreement between the Michigan Consolidated Gas Company and this Board for Large Volume Gas Service.

A supplemental agreement was approved by your Honorable Body on July 30, 1963 to provide service to our other locations.

An agreement has been executed by the Gas Company and this Board covering gas service to the new incinerators at our Sewage Plant in accordance with Rate Schedule No. 6 entitled Large Volume Rate.

May we have your approval and confirmation of this agreement.

Respectfully submitted,
E. CEDRONI

General Manager

By Councilman Eberhard:
 Resolved, That contract with the Michigan Consolidated Gas Company, referred to in the foregoing communication, be and the same is hereby approved and confirmed.

Adopted as follows:

Yeas — Councilmen Browne, Cleveland, Eberhard, Henderson, Kelley, and President Levin — 6.

Nays — None.

Board of Water Commissioners
 February 5, 1974

Honorable Common Council:
 Subject: Charges for Repair to Private Sewers - Request Special Assessment Rolls.

The City of Detroit Municipal Code, Chapter 56, Page 1037, Section 56-1-9, provides that uncollected charges for repairs to private sewers, performed by City forces, of any private drain or sewer will be levied as a special assessment against the properties concerned.

When the Water Department assumed the operation and maintenance of the Sewer System from the Department of Public Works in July 1964, we also accepted the responsibility for repairing any private drain or sewer which created an unsafe or unhealthful condition to the City as a whole.

On July 3, 1973, this Department was notified by Dr. William Clextton, Director of Public Health, to take whatever action necessary to alleviate
