August 6, 1975

Honorable City Council:

Re: Petition No. 7555 (1968), Stone Container Corporation vacate the remaining alleys in the block bounded by Harper, vacated Beaufait, and Lambert Avenue.

The above petition requests the vacation of the above described alleys. The petition was submitted in 1968 to your Honorable Body with a recommendation for approval by the Community and Economic Development Department (then the City Plan Commission).

The petitioner, at that time, could not complete the project for economic reasons. They are now ready to proceed with their expansion and wish to complete the petition.

The Community and Economic Development Department and all other involved City departments and private utilities have again been contacted and have no objection to the proposed vacations.

The petitioner has also requested that the paved returns at the entrance to the alleys remain in their present status as the petitioner plans to utilize same, and has agreed by letter filed with the original petition to pay all costs incidental to the removal of same whenever the discontinuance of use makes such removal necessary.

The adoption of the attached resolution is recommended.

Respectfully submitted,

HERMAN T. DUDLEY

Honorable City Council:  
Re: Supplemental Grants — Food and Friendship Program

On three previous occasions your Honorable Body has accepted grants from the State of Michigan Office of Services to the Aging for the operation of a feeding program for the elderly. Under this program, nutritional hot meals are provided to individuals whose annual income is near or below the current poverty threshold as defined by the U.S. Office of Management and Budget.

Once again the Health Department has been offered a grant of \$128,108 to provide 400 additional meals per day for the period July 1, 1975 through June 30, 1976. The grant is intended to be used for meal preparation and delivery.

In addition, we have been advised that the raw food allowance in our main grant which is operating for the period November 15, 1974 to November 14, 1975 has been increased by \$10,024.

May we, therefore, request that your Honorable Body approve acceptance of these grants from the Michigan Office of Services to the Aging by the Health Department to implement the feeding program as described above.
