Re: Petition No. 2684 Mr. J. J. Mader, et al Conversion to Easement of the north-south alley in the block bounded by Murray Hill, St. Marys, Margareta, and Clarita Avenues

The above petition requests the conversion of the above described alley, 18 feet wide, into an easement for public utilities. The requested conversion into easement for public utilities was approved by the Community and Economic Development Department. The petition was then referred to us for investigation and report. Our report, accompanied by the original petition, is as follows:

All City departments and privately-owned utility companies reported that they will be unaffected by the conversion to an easement of said alley or that they have reached satisfactory agreements with the petitioner regarding their installation therein.

The adoption of the attached resolution is recommended.

Respectfully submitted,

JAMES W. WATTS,

Director
