Honorable City Council:

Re: Petition No. 5558 - Mrs. Louise
Armstrong Request to Construct
Garage Encroaching into Easement

Your Committee of the Whole referred the above petition to this office for investigation and report. The Environmental Protection and Maintenance Department has made a field investigation of the petitioner's request. Our findings are as follows:

The petitioner's lot is 113 feet deep, which dimension includes a 6 foot easement at the rear. The petitioner wishes to construct a garage which will encroach 3 feet into the easement. There is no garage immediately to the rear of this property.

We find that the above request for permission to encroach into the easement complies with the policy adopted by your Honorable Body on February 23, 1965, J.C.C. Pages 348 and 349. An appropriate resolution is attached for consideration and adoption by your Honorable Body.

Respectfully submitted,

JAMES W. WATTS

Director

By Council Member Henderson:

Resolved, That the Environmental Protection and Maintenance Department is hereby authorized and directed to issue a permit to Mrs. Louise Armstrong, Petition No. 5558, to construct a garage which will encroach 3 feet into the 6 foot wide public utility easement at the rear of lot 217 of B. E. Taylor's Rainbow Subdivision of part of the Northwest ¼ of Section 13, T.1S., R.10E., Redford Township, Wayne County, Michigan, as recorded in Liber 41, Page 75, Plats, Wayne County Records, located on the east side of Fenmore, south of Grove, commonly known as 16750 Fenmore;

PROVIDED, That said permit shall be issued only after a certified copy of this resolution has been duly recorded by and at the petitioner's expense in the Office of the Register of Deeds for Wayne County; and further

PROVIDED, That no right in the public easement shall be considered waived by this permission which is granted expressly on the condition that the garage, driveway, building and all

obstruction in connection therewith shall be removed at the expense of the grantee at any time when so directed by the City Council; and further

PROVIDED, If at any time in the future it becomes necessary to repair or replace the sewers or other utilities or to be located in said easement by the acceptance of this permission, the owners for themselves, their heirs and assigns, waive claims for any damages to the encroaching installations and agree to pay the cost incurred in their removal, if their removal becomes necessary, and to restore the property affected to a condition satisfactory to the Environmental Protection and Maintenance Department at the owner's expense; and further

PROVIDED, That this resolution is revocable at the will, whim, or caprice of the City Council, and the grantees by the acceptance of this permission waive any right to claim damages or compensation for any driveways or structures constructed and maintained hereunder, or for removal of the same, and they acquire no implied nor any other privileges not expressly stated herein.

Honorable City Council:

Re: Petition No. 5501 Virginia Park
NDP, Michigan A-4-2, Street and
Alley Vacations

Returned herewith is Petition No. 5501 of the Community and Economic Development Department requesting the vacation of certain streets and alleys in the above area, to be redeveloped as a part of the Virginia Park Neighborhood Development Project.

The action in the attached resolution is in the six parcels proposed to be developed under the authority of the Michigan State Housing Development Authority.

In the matter of the widening of Rosa Parks Boulevard, the necessary property has been acquired, and the pavement relocation has been completed. The Environmental Protection and Maintenance Department will prepare and submit a resolution for the dedication as soon as all other right-of-way matters in the Virginia Park Development have been clarified.

An appropriate resolution is attached for consideration by your Honorable Body.

Respectfully submitted,

JAMES W. WATTS

Director

By Council Member Hood:
