Honorable City Council:

Re: Petition No. 1194 of I.M.C. Foundry Products. Requesting Vacation of Sewer Easement in the Alley Between Sunset Avenue and Dean Avenue, North of Nancy Avenue.

Returned herewith is Petition No 1194 of I.M.C. Foundry Products requesting the vacation of the sewer easement retained in the vacation of the N-S alley between Sunset Avenue and Dean Avenue and north of Nancy Avenue.

The vacation of the sewer easement is necessary in order that a building can be constructed over it.

The petitioner owns all of the property abutting the easement requested to be vacated. There will be no other users of the existing sewer located therein.

Therefore, it is recommended that the petition be granted in accordance with the attached.

The additional request of October 16, 1978 to vacate Sunset Avenue is not within this Departments jurisdiction. It is returned herewith with the recommendation that it be forwarded to the E.P.M. Department for their review and response.

Respectfully submitted,  
**JOHN P. KANTERS**
