Honorable City Council:

Re: Petitions to Convert Alleys to Easements.

For your consideration, submitted herewith are twenty-eight (28) petitions requesting the conversion of various alleys into easements in the City of Detroit.

The requested conversions into easements for public utilities were recommended by the Community and Economic Development Department upon prior investigation and report. For filing in the office of the City Clerk, please find report, petitions to vacate the public alleys, a sketch of each alley and Notice of City Council Hearing.

All other involved City Departments and privately owned utility companies have no objections to the conversion of the public right-of-ways into easements provided that proper provisions are incorporated into the vacating resolution protecting their installations located therein.

The adoption of the attached resolution is recommended.

Respectfully submitted,

HILDA H. HIRATA,

Asst. Corporation Counsel

By Council Member Mahaffey:

WHEREAS, the following petitions have been filed with the City Council, signed by not less than two-thirds of the owners of properties respectively abutting the alleys as herein described, and public hearings having been held by this body on May 15, 1979, pursuant to these alley vacations;
