The following is a summary of the taxes to be cancelled because the statute of limitations has expired:

<u>Tax Year</u>	<u>Total Number of Items</u>	<u>Levy 1 Amount</u>	<u>Levy 5 Amount</u>
1975	1,596	\$365,758.21	--

The Law Department has exhausted all means of collecting the amounts listed in this group, which were turned over to them for collection and/or legal action.

The Treasurer's Office has also exhausted all means available in the effort to effect collection of the subject tax items, which are now outlawed under the Michigan Statute of Limitations and are no longer collectible.

I therefore recommend said tax items for cancellation.

Honorable City Council:
 Re: Petitions to Convert Alleys to Easements.

For your consideration, submitted herewith are thirty-three (33) petitions requesting the conversion of alleys into easements in the City of Detroit.

The requested conversions into easements for public utilities were recommended by the Community and Economic Development Department upon prior investigation and report. For filing in the office of the City Clerk, please find report, petitions to

vacate the public alleys, a sketch of the alley and Notice of City Council hearing.

All other involved City Departments and privately owned utility companies have no objections to the conversion of the public right-of-way into an easement provided that proper provisions are incorporated into the vacating resolution protecting their installations located therein.

The adoption of the attached resolution is recommended.
