

The Remaining \$100 or ten percent represents the local cash match. As funding for this program was not anticipated, I will request the permission of your Honorable Body to amend the 1982-83 Police Budget in order to provide the necessary cash match upon receipt of the grant award.

Enclosed please find additional copies of the grant application for each member of the City Council. If at all possible, I would appreciate some advance notice as to the date the City Council will formally consider this grant application in order that appropriate members of the Police Department may be in attendance to respond to any inquiries.

Should any further information concerning this application be required, please do not hesitate to contact the Office of the Chief of Police.

Respectfully submitted,  
**WILLIAM L. HART**  
 Chief of Police

Approved:  
**CONLEY ABRAMS**  
 Budget Director  
**JOHN P. KANTERS**  
 Finance Director

By Council Member Eberhard:

Resolved, That the Police Department be and is hereby authorized to submit a grant application to the Michigan Office of Criminal Justice, and further

Resolved, That the grant application is entitled McGruff Crime Prevention and that this application represents a three month funded effort in which the McGruff the dog costume will be utilized during presentation of crime prevention programs to school age youth.

Resolved, That the Police Department be and is hereby authorized to submit the McGruff Crime Prevention application to the Office of Criminal Justice Programs, all in accordance with the foregoing communication.

Honorable City Council:  
 Re: Petition No. 360, Puritan Tire Repairs, Conversion to Easement of a Portion of Normandy Avenue at Puritan.

The above petition requests the conversion of the westerly 22.5 feet of Normandy between Puritan and the east-west alley north of Puritan into an easement for public utilities. The

requested conversion into easement for public utilities was approved by the Community and Economic Development Department. The petition was then referred to us for investigation and report. Our report, accompanied by the original petition is as follows:

The petitioner will relocate the sidewalk to line up with the walk north of the alley. The work will be done by his Contractor under City permit with all costs borne by the petitioner.

All City departments and privately-owned utility companies reported that they will be unaffected by the conversion to an easement of said street or that they have reached satisfactory agreements with the petitioner regarding their installation therein.

The adoption of the attached resolution is recommended.

Respectfully submitted,  
**LOUIS W. KLEI**  
 City Engineer

By Council Member Collins:

Resolved, That all that part of the westerly 22.5 feet of Normandy Avenue, 120 feet wide, north of Puritan abutting the easterly line of Lot 183 of the Martin Park Subdivision of part of the N.E. ¼ of Section 15, Greenfield Township, Wayne County, Michigan as recorded in Liber 32, Page 44, Plats, Wayne County records

Be and the same are hereby vacated as public streets and alley are hereby converted into a public easement of the full width of the streets and alley, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said streets and alley and by their heirs, executors, administrators and assigns, forever to wit:

FIRST, said owners hereby grant to and for the use of the public easements or rights of way over said vacated public streets and alley hereinabove described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephones, electric light conduits or poles or things usually placed or installed in a public alley in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth,

SECOND, said owners for their heirs and assigns further agree that no

buildings or structures of any nature whatsoever including but not limited to concrete slabs or driveways, retaining or partition walls (except necessary line fence) shall be built or placed upon said easement, nor any change of surface grade made, without prior approval by the Department of Public Works.

THIRD, that if at any time in the future the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of any existing poles or other utilities in said easement, such owners, upon whose property the poles or other utilities are located shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners.

PROVIDED FURTHER, that if any utility located or to be located in said property shall break or be damaged as a result of any action on the part of the petitioner or assigns (by way of illustration but not limitation), such as storage of excessive weights of materials or construction not in accordance with Section 2, mentioned above, then in such event the petitioner or assigns shall be liable for all costs incidental to the repair of such damaged utility; and be it further

RESOLVED, That the relocation of the sidewalk to line up with the sidewalk on the north side of the alley north of Puritan be done under City permit and inspection and according to Department of Public Works specifications with all cost borne by the petitioner.

#### Department of Public Works

Honorable City Council:

Re: Petition No. 473, Mr. Christian Sledge, Request to Build a Garage Addition Which will Encroach into the Easement at the Rear of 18000 Mendota.

The above petition was submitted by Mr. Christian Sledge requesting permission to construct an addition to his garage which will encroach into the easement at the rear of 18000 Mendota.

Subsequently, Mr. Sledge sold the property to Mr. Oliver Q. Williams. Mr. Williams has, by letter included with the file, requested that the petition be continued and he be granted permission to construct the addition.

Petitioner's property is 123 feet deep, which dimension includes a 9

foot wide public utility easement at the rear.

The addition will encroach six (6) feet into the nine foot easement.

We find that the above request for permission to encroach into the easement complies with the policy adopted by your Honorable Body on February 23, 1965, (J.C.C. pages 348-9). An appropriate resolution is attached for consideration by your Honorable Body.

Respectfully submitted,  
LOUIS W. KLEI  
City Engineer

By Council Member Collins:

Resolved, That the Department of Public Works be and is hereby authorized and directed to issue permits to Mr. Oliver Q. Williams to construct an addition to his existing garage at the rear of 18000 Mendota, property described as:

Lot 73, Murphy Brothers Loyola Estates Subdivision of part of the E. ½ of the W. ½ of the S.E. ¼ of Section 8, T.1S., R.11 E., Greenfield Township and City of Detroit, Wayne County, Michigan, as recorded in Liber 52, Page 35, Plats, Wayne County records;

Encroachment to consist of an addition to petitioner's existing garage which will encroach no more than six (6) feet into the 9 feet wide public utility easement at the rear of the above described property;

Provided, that said permit shall be issued only after a certified copy of this resolution has been duly recorded by and at the permittee's expense in the Office of the Register of Deeds for Wayne County; and further

Provided, That no right in the public easement shall be considered waived by this permission which is granted expressly on the condition that the garage, driveway, building and all obstruction in connection therewith shall be removed at the expense of the grantee at any time when so directed by the City Council; and further

Provided, if at any time in the future it becomes necessary to repair or replace the sewers or other utilities located or to be located in said easement, by the acceptance of this permission, the owners for themselves, their heirs and assigns, waive claims for any damages to the encroaching installations and agree to pay the costs incurred in their removal, if their removal becomes necessary, and to restore the property affected to a condition satisfactory to the Department
