Department of Police

August 2, 1982

Honorable City Council:

Re: Permission to Accept Grant Award.

On July 30, 1982, the Office of Criminal Justice offered the Detroit Police Department a grant in the amount of \$10,000. This grant is entitled McGruff Crime Prevention. The Board of Police Commissioners formally approved acceptance of this grant award on July 1, 1982.

Acceptance of this grant award will allow the Detroit Police Department to defray the costs of McGruff the Dog costumes and McGruff the Dog T-shirts.

The McGruff Crime Prevention program funds will purchase a McGruff the Dog costume and McGruff the Dog T-shirts. McGruff the Dog is the National crime Prevention symbol. The costume and T-shirts will be utilized during presentation of crime prevention programs to school age youth. The main focus of these programs will be reduction of sexual assault against school children. Because of the visual effect of McGruff the Dog, it is believed that the attention span and retention capability of the school audience will be significantly increased.

Of the total grant award, ninety percent of \$9,000 is available from the Office of Criminal Justice. The remaining ten percent or \$1,000 represents the local cash match. As the department did not anticipate funding for this program, the cash match for it was not specifically included in the 1982-83 department budget. There are, however, funds available in Appropriation #0119, Management Services Bureau. It is anticipated that the department will be able to defray equipment purchases totalling \$1,000 in order to provide the necessary cash match. The Detroit Police Department requests the permission of your Honorable Body to amend the Police Budget so that \$1,000 of the funds av-

ailable for equipment purchases may be used as cash match for McGruff Crime Prevention.

It is respectfully requested that your Honorable Body adopt the attached resolution authorizing the City of Detroit to accept the McGruff Crime Prevention grant award effective July 1, 1982.

Respectfully submitted,
WILLIAM L. HART,
Chief of Police

July 28, 1982

Honorable City Council:

Re: Petition No. 406, University of Detroit High School, Conversion to Easement of Cambridge Avenue, South between Cherrylawn and Roselawn, and of Northlawn between Seven Mile Road and Cambridge.

The above petition requests the conversion of the above described streets into easements for public utilities. The requested conversions into easement for public utilities were approved by Community and Economic Development Department. The petition was then referred to us for investigation and report. Our report, accompanied by the original petition is as follows:

The petitioner has requested that the paved returns at the entrance to the streets to be vacated remain in their present status as the petitioner plans to utilize same, and had agreed by letter filed with the original petition to pay all costs incidental to the removal of same whenever the discontinuance of use makes such removal necessary.

The petitioner has agreed with the

request of the Fire Department to furnish ingress and egress to the existing hydrants and have no more than five feet of space between the hydrants and any new curbing installed.

The petitioner has also requested that he be allowed to enter into an annual maintenance agreement with the Public Lighting Department for maintenance of the existing lighting facilities. The Public Lighting Department is agreeable to this request.

The petitioner has agreed to maintain the existing grade on the catch basin located in Cambridge west of Roselawn and the basin located in Northlawn north of Seven Mile Road in order to take storm water run-off from Roselawn and Seven Mile Road. They have agreed that if the grade is changed in the future, they will construct, at their expense, the necessary catch basins in Roselawn and Seven Mile Road.

The petitioner has also requested that due to the service to the community and the fact that the new parking facilities provided will help alleviate a serious parking problem in the area that the original paving reimbursement of \$614.00 be waived by Your Honorable Body. The Department of Public Works has no objection to the request.

All other involved City departments and privately-owned utility companies reported that they have no objections to the conversions of public right-of-ways into easements provided that proper provisions are incorporated into the vacating resolution protecting their installations located therein.

The adoption of the attached resolution is recommended.

Respectfully submitted,
LOUIS W. KLEI
City Engineer

Resolved, That all that part of Cambridge Avenue South, 75 feet wide, lying between and abutting the easterly line of Cherrylawn Avenue and the westerly line Roselawn Avenue, having been platted in the Chester Heights Subdivision No. 1, being a part of the S.E. $\frac{1}{4}$ of the S.W. $\frac{1}{4}$ of Section 4, T.1S., R.11E., City of Detroit, Wayne County, Michigan, as recorded in Liber 50, Page 37, Plats, Wayne County records; also

All that part of Northlawn Avenue, 75 feet wide, lying between and abutting the southerly line of Cambridge Avenue South and the northerly line of the 18 foot wide vacated public

alley south of Cambridge Avenue South as platted in the above mentioned subdivision; also

All that part of Northlawn Avenue, 100 feet wide, lying between and abutting the northerly line of Seven Mile Road and the northerly line of the 18 foot wide vacated public alley north of Seven Mile Road, as platted in the Chester Heights Subdivision being a part of the S. $\frac{1}{2}$ of the S.W. $\frac{1}{4}$ of Section 4 and the N.W. $\frac{1}{4}$ of the N.W. $\frac{1}{4}$ of Section 9, T.1S., R.11E., Greenfield Township, Wayne County, Michigan, as recorded in Liber 42, Page 49, Plats, Wayne County records;

Be and the same are hereby vacated as public streets and are hereby converted into public easements of the full width of the streets, which easements shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said streets and by their heirs, executors, administrators and assigns, forever to wit:

First, said owners hereby grant to and for the use of the public easements or rights of way over said vacated public streets hereinabove described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public street in the City of Detroit, with the right to ingress and egress at any time to and over said easements for the purpose above set forth,

Second, said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including but not limited to concrete slabs or driveways, retaining or partition walls (except necessary line fence) shall be built or placed upon said easements, nor any change of surface grade made, without prior approval by the Department of Public Works,

Third, that if at any time in the future the owners of any lots abutting on said vacated streets shall request the removal and/or relocation of any existing poles or other utilities in said easement, such owners, upon whose property the poles or other utilities are located shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Provided Further, that if any utility located or to be located in said property shall break or be damaged as a result of any action on the part of the petitioner or assigns (by way of illust-

ration but not limitation), such as storage of excessive weights of materials or construction not in accordance with Section 2, mentioned above, then in such event the petitioner or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and be it further

Resolved, That the petitioner shall enter into an annual maintenance agreement with the Public Lighting Department for the maintenance of that department's lighting facilities; and further

Resolved, That the paved returns at the entrance to the streets to be vacated remain in their present position and the surface grade of the existing catch basins located in Cambridge west of Roselawn and in Northlawn north of Seven Mile Road in order to receive storm water run-off from Roselawn and Seven Mile Road, any change in the surface grade of these catch basins will require the construction of new catch basins in Roselawn and Seven Mile Road with all costs borne by the petitioner or his assigns; and further

Resolved, That the reimbursement of \$614.00 for the original cost of paving the streets at the intersection with the streets to be vacated is hereby waived; and further

Resolved, That the Finance Director is hereby authorized and directed to issue a Quit Claim Deed to the above described property and the Law Department is directed to prepare such deed.

July 28, 1982

Honorable City Council:

Re: Petition No.34, Arthur Harvey, Conversion of Easement of the north half of the north-south alley between Sturtevant and Fullerton west of Dexter.

The above petition requests the conversion of the above described public alley, 20 feet wide into an easement for public utilities. The requested conversion into easement for public utilities was approved by the Community and Economic Development Department. The Petition was then referred to us for investigation and report. Our report, accompanied by the original petition is as follows:

All City departments and privately-owned utility companies re-

ported that they will be unaffected by the conversion to an easement of said alley or that they have reached satisfactory agreements with the petitioner regarding installation therein.

The adoption of the attached resolution is recommended:
