Honorable City Council:

Re: Petitions to convert alleys to easements.

For your consideration, submitted herewith are forty (40) petitions requesting the conversion of alleys into easements in the City of Detroit.

The requested conversions into easements for public utilities were recommended by the Community and Economic Development Department upon prior investigation and report. For filing in the office of the City Clerk, please find report, petitions to vacate the public alleys, a sketch of the alley and Notice of City Council hearing.

All other involved City Departments and privately owned utility companies have no objections to the conversion of the public right-of-way into an easement provided that proper provisions are incorporated into the vacating resolution protecting their installations located therein.

The adoption of the attached resolution is recommended.
