Honorable City Council:

Re: Petitions to Convert Alleys to Easements.

For your consideration, submitted herewith are twenty-six (26) petitions requesting the conversion of alleys into easements in the City of Detroit.

The requested conversions into easements for public utilities were recommended by the Community and Economic Development Department upon prior investigation and report. For filing in the office of the City Clerk, please find report, petitions to vacate the public alleys, a sketch of the alley and Notice of City Council hearing.

All other involved City Department and privately owned utility companies have no objections to the conversion of the public right-of-way into an easement provided that proper provisions are incorporated into the vacating resolution protecting their installations located therein.

The adoption of the attached resolution is recommended.

Respectfully submitted,

Re: Frank Weatherspoon and Carolyn Weatherspoon v. Franklin Archie, Michael Senn, and the City of Detroit, Civil Action No. 81 147 363 NO, Our File No. 80-8276 WLW.

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in the memorandum. From this review, it is our considered opinion that a settlement in the amount of Fifteen Thousand (\$15,000.00) Dollars is in the best interest of the City of Detroit.

We, therefore, request your Honorable Body to direct the Finance Director to issue her draft, in the amount of \$15,000, payable to Frank Weatherspoon, Carolyn Weatherspoon and Elbert E. Cooper, their attorney, to be delivered upon receipt of properly executed General Releases and Stipulation and Order of Dismissal approved by the Law Department.

Respectfully submitted,
