Honorable City Council:

Re: Petition No. 1631. University of Detroit. Correction of Resolution Vacating Florence Avenue.

The above petition (1631), by the University of Detroit for the vacation of Florence Avenue, was granted by your Honorable Body on April 4, 1984.

The limits of the vacation was between the east line of Petoskey and the west line of Dexter. However, upon further investigation and consultation with the Department of Transportation and the Community and Economic Development Department, the limits should have been the east line of Livernois and the west line of Dexter. This would extend the vacation one block to the west as the University originally requested.

An appropriate resolution amending

the resolution adopted is attached for consideration by your Honorable Body.

Respectfully submitted,

CLYDE R. HOPKINS

Director
