Recreation Department

May 17, 1984

Honorable City Council:

Re: Authorization to Increase Appropriation — Chene Park Development — Phase I.

On April 19, 1984, your Honorable Body authorized the Recreation Department to transfer \$364,545.10 to the above Grant from Appropriation #0144 to pay for additional construction and associated design costs.

At that time we knew that we needed more Capital Bond monies than what was requested. However, we had not identified those City Bonds eligible to be used. Now that we have identified the remaining source of funds, we request that your Honorable Body authorize a transfer of \$135,454.90 from the following Appropriations: #0144 (\$69,168.94); #0372 (\$2,262.00); and 4567 (\$64,023.96).

Respectfully submitted,
DANIEL H. KRICHBAUM

Water and Sewerage Department

May 16, 1984

Honorable City Council:

Re: Petition No. 2859, Sisters of Mercy Health Corporation Request for Vacation of Sewer Easement.

This is in response to Petition No. 2859 by Sisters of Mercy Health Corporation requesting vacation of the sewer easement retained in vacated Santa Maria Avenue, from Ardmere to Lesure Avenue. The retained easement also includes the alley between Ardmere and Stansbury Avenues, the alley between Stansbury and Lesure Avenues, and Stansbury Avenue, all from vacated Santa Maria Avenue to existing Santa Maria Avenue. These streets and alleys were vacated and the easement retained by Detroit Common Council (J.C.C. September 29, 1959, pages 1048 and 1049), and exist as shown on the attached sketch.

There are no City sewers or water mains located in the subject easement. There are sewer services crossing the easement at both above alleys, and a water service crossing the easement at Stansbury Avenue. These will remain under the ownership of Mt. Carmel Mercy Hospital, with attendant maintenance responsibility, extending south to the north line of existing Santa Maria Avenue.

It is therefore recommended that the petition for vacation of the sewer easement be granted in accordance with the attached resolution.

Respectfully submitted,
CHARLIE J. WILLIAMS
Director

By Council Member Eberhard:

Be it resolved that all of Santa Maria Avenue between Ardmere and Lesure Avenues, part of Stansbury Avenue south of Santa Maria Avenue, part of the north-south alley south of Santa Maria Avenue between Ardmere and Stansbury Avenues, and part of the north-south alley south of Santa Maria Avenue between Stansbury and Lesure Avenues, all of the above as recorded in the City of Detroit Journal of the Common Council, September 29, 1959, page 1948 and as platted in Marygrove Palmer Boulevard Subdivision as recorded in Liber 55, page 59 of Plats Wayne County Records, be and same is hereby vacated as a sewer easement.
