Honorable City Council:

Re: Petition No. 1706, YMCA—Eastside Branch Conversion to easement of portion of the east-west public alley in the block bounded by Cadillac, Hurlbut, Edsel Ford Freeway and Harper.

Petition No. 1706 of "YMCA — Eastside Branch" requests the conversion of a portion of the east-west public alley, 18 feet wide, in the block bounded by Cadillac and Hurlbut Avenues, Edsel Ford Freeway, and Harper Avenue into an easement for public utilities.

The requested conversion into a public utility easement was approved by the Community and Economic Department. The petition was referred to the City Engineering Department for investigation and report. This is our report:

The petitioner plans to use the paved alley return entrance (into Hurlbut) and requests such remain in its present status. The petitioner shall pay all incidental removal costs whenever discontinuance of use makes removal necessary.

City departments and privately-owned utility companies have reported no objection to the conversion of public right-

of-way into a utility easement. Provisions protecting utility installations are part of the resolution.

The adoption of the attached resolution is recommended.

Respectfully submitted,
CLYDE R. HOPKINS
 Director
