Honorable City Council:

Re: Petition No. 715. Boron Oil Company. Alleys to vacation and easements north of McGraw between Homedale and Addison.

Petition No. 715 of Boron Oil Company requests the outright vacation and conversion of portions of the north-south public alley, 7 feet wide, and the east-west public alley, 16 feet wide, north of McGraw Avenue between Homedale and Addison Avenues (5-A) into an easement for public utilities.

The requested vacation and conversion into public utility easements were approved by the Community and Economic Development Department. The petition was referred to the City Engineering Department for investigation and report. This is our report:

The petitioner plans to remove the

paved alley return entrance (into McGraw). Such removal and construction of new curb and sidewalk shall be done under City permit and inspection according to City Engineering Department specifications. The Petitioner shall pay all incidental alley return removal costs.

Also, the petitioner plans to build over the City sewer abutting their property. The Water and Sewerage Department will allow this encroachment. Any encroaching structure built over the City sewer will require plan approval by the Water and Sewerage Department — Sewer Services Section and securing any necessary permits prior to construction. Costs for concrete public sewer encasement, manholes, inspection and permits will be borne by the petitioner.

Provisions protecting the City's interest in the public alley sewer(s) are part of the vacating resolution.

All other involved City departments and privately-owned utility companies reported they have no objection to the proposed vacation and conversion to easement or they have reached satisfactory agreements with the petitioner regarding their installations therein.

An appropriate resolution is attached for consideration by your Honorable Body.

Honorable City Council:

Re: Offer to Reacquire, Lot 147, (W) side of Manistique, between Canfield and Waveney.

The City of Detroit acquired from the State of Michigan, as a tax reverted parcel, Lot 147, located on the West side of Manistique, between Canfield and Waveney, a/k/a 4423 Manistique.

The property in question is a single family dwelling in good condition, located in an area zoned R-2.

Our investigation reveals cancelled or unlevied City taxes for the years 1979 thru 1986, and County taxes for the years 1980 thru 1985, plus interest on said taxes in the amount of \$6,527.00. In reacquisition situations, it is the policy of the Community & Economic Development Department to add a ten percent (10%) penalty for the cost involved due to this foreclosure action. Further, since this property was owned by the State of Michigan on December 31, 1986, it was exempt from taxes for the fiscal year 1987 and an amount equivalent to the taxes that would have been assessed must be added. Considering all these facts, the cost of reacquisition would be \$8,538.00, plus a deed recording fee in the amount of \$7.00. The reacquisi-

tion is recommended on a land contract basis.

Carmilita Bundy, the former owner has lived at this address for a period of 12 months or more. Ms. Bundy has signed an offer to reacquire on a land contract basis in the amount of \$8,538.00, plus a deed recording fee in the amount of \$7.00, and made a \$2,000.00 down payment, with the balance payable at the rate of \$145.00 per month for principal and interest, with interest computed at the rate of seven percent (7%) per annum, and \$60.00 per month for the estimated taxes, which would give a monthly payment of \$205.00.

Your Honorable Body's approval to accept this offer to reacquire is hereby requested.

Respectfully submitted,
THEODORE SPENCER
Executive Assistant Director

By Council Member Eberhard:

Resolved, That the Offer to Reacquire property described on the tax rolls as:

Lot 147, Edwin Lodge Subdivision of part of P.C. 120 North of Mack Avenue, Townships of Gratiot and Grosse Pointe, Wayne County, Michigan. Rec'd L. 35, P. 10 Plats, W.C.R.

submitted by Carmilita Bundy, be accepted in the amount of \$8,538.00 on a land contract basis plus a deed recording fee in the amount of \$7.00, with a down payment of \$2,000.00 and the balance payable at the rate of \$145.00 per month for principal and interest with interest computed at the rate of seven percent (7%) per annum, and \$60.00 per month for estimated taxes, which would give a monthly payment of \$205.00, and be it further

Resolved, That upon payment of the land contract in full the Community & Economic Development Department be authorized to issue a Quit Claim Deed.
