Honorable City Council:

Re: Petition No. 2704 — Selden Court Non-Profit Housing Corp. (C. & E.D.D.); Street to Easement — Harrison between Brainard and Magnolia; also Correction of Resolution — Alleys to Vacation in the block bounded by Rosa Parks, Harrison, Brainard, and Magnolia.

To develop a parcel in Selden Court Rehabilitation Project it is necessary to convert Harrison Avenue, 65 feet wide, between Brainard and Magnolia Streets into an easement for public utilities.

The public street closing was approved by the Department of Transportation.

City departments and privately-owned utility companies have reported no objection to the conversion of public right-of-way into a utility easement. Provisions protecting utility installations are part of the resolution.

Also, Petition No. 2759 of the Community and Economic Development Department (Selden Court Rehabilitation Project; vacating all of the public alleys in the block bounded by Rosa Parks Boule-

vard, Harrison Avenue, Brainard and Magnolia Streets) was granted by your Honorable Body on July 15, 1987 (J.C.C. pages 1613-14).

However, an error in the legal description will require correction.

An appropriate resolution (granting the public street closing, and correcting the legal description) is attached for consideration by your Honorable Body.

Respectfully submitted,  
**CLYDE R. HOPKINS**  
 Director
