City Engineering Department

Honorable City Council:

Re: Petition No. 1898. Community and Economic Development Department. Alley to Easement portion of

north-south public alley in the (triangular) block bounded by Gratiot, Chene and Hunt.

Petition No. 1898 of the Community and Economic Development Department (C&EDD) requests the conversion of a portion of the north-south public alley (first westerly of and parallel to Chene Street), 18 feet wide, in the (triangular) block bounded by Gratiot Avenue, Chene and Hunt Streets into an easement for public utilities.

The C&EDD has received approval (for the public alley closing) from the McDougall-Hunt Citizens District Council. The requested conversion was approved by the Department of Transportation. The petition was referred to the City Engineering Department for investigation (utility clearances) and report. This is our report:

All other involved City departments and privately-owned utility companies have reported no objections to the conversion of public rights-of-way into a utility easement. Provisions protecting utility installations are part of the resolution.

The adoption of the attached resolution is recommended.

Respectfully submitted,

CLYDE R. HOPKINS
