Honorable City Council:

Re: Petition No. 2295. Faith Temple (C.M.E.) Church. Alley to Easement portion of the east-west public alley in the block bounded by Conant, Mitchell, Brentwood and E. Seven Mile.

Petition No. 2295 of "Faith Temple (C.M.E.) Church" requests the conversion of a portion of the east-west public alley, 18 feet wide, in the block bounded by Conant, Mitchell, and Brentwood Avenues, and E. Seven Mile Road into an easement for public utilities.

The requested conversion was approved by the Community and Economic Development Department. The petition was referred to the City Engineering Department for investigation and report. This is our report:

The petitioner plans to use the paved alley return entrance (into Mitchell) and requests such remain in its present status. The petitioner shall pay all incidental removal costs whenever discontinuance of use makes removal necessary.

City departments and privately-owned utility companies have reported no objections to the conversion of public rights-of-way into a utility easement. Provisions protecting utility installations are part of the resolution.

The adoption of the attached resolution is recommended.

Respectfully submitted,
