City Engineering Department
December 3, 1990

Honorable City Council:

Re: Petition No. 3494 (b), Community and Economic Development Department, Jefferson Chalmers Neighborhood Development Project — Part of Parcel 4, Streets and Alley to Vacation and Dedication, east of Dickerson, north of Freud.

To develop properties in Jefferson Chalmers Neighborhood Development Project (Jefferson-Chalmers Senior Citizen Apartments at "800 Dickerson Avenue") it is necessary to vacate portions of public streets and alley (also to set-aside land for the widening of Dickerson Avenue) east of Dickerson Avenue, and north of Freud Avenue.

This part of the Jefferson-Chalmers Neighborhood Development plan will

facilitate construction of 122-units of new housing for low-income senior citizens. Council has approved the transfer of funds and land disposition for the development of part of Parcel 4 (November 7, 1990 and November 28, 1990).

The public street and alley closings were approved by the Department of Transportation.

Satisfactory arrangements have been made with all City departments and privately-owned utility companies.

An appropriate resolution is attached for consideration by your Honorable Body.

Respectfully submitted,
CLYDE R. HOPKINS
Director

City Planning Commission
December 6, 1990

Honorable City Council:

Re: Request of Stolakis and Associates Inc. for alterations to 150 W. Jefferson (Recommend Approval).

As per the request of the above mentioned petitioner, City Planning Commission staff has reviewed the request for exterior alterations to the Madden Building, located at 150 W. Jefferson. Such alterations require review by the Commission and approval of your Honorable Body since they are located in a PCA zoning district (Restricted Central Business District).

The petitioner is requesting to open a restaurant in the ground floor of the building, located at the southwest corner of Griswold and Larned Streets. The petitioner is proposing neon signs in the existing windows and signage above the windows.
