City Engineering Department

November 18, 1992

Honorable City Council:

Re: Petition No. 2327. Redford-Kentfield Congregation(s) of Jehovah's Witnesses, et al. Alley to Vacation and Easement remaining east-west public alley south of Fenkell between Kentfield and Heyden.

Petition No. 2327 of the "Redford-Kentfield Congregation(s) of Jehovah's Witnesses, et al" requests the conversion of the remaining east-west public alley, 20 and 40 feet wide, south of Fenkell Avenue between Kentfield and Heyden Avenues into an easement for public utilities; also the vacation of a 3.00 feet by 64.00 feet portion of said public alley to maintain an existing canopy structure.

The requested conversion and vacation was approved by the Community and Economic Development Department. The petition was referred to the City Engineering Department for investigation (utility clearances) and report. This is our report:

The City is owner in fee of the easterly half of the remaining east-west public alley in the block, which was deeded to the City on July 6, 1948 (J.C.C. p. 1785). Therefore, the Finance Director must issue a quit-claim deed to transfer the easterly half of the vacated and converted public right-of-way.

The petitioner plans to use the paved alley return entrance (into Kentfield) and requests such remain in its present status. The petitioner shall pay all incidental removal costs whenever discontinuance of use makes removal necessary.

City departments and privately-owned utility companies have reported no objections to the vacation and conversion of public rights-of-way into a utility easement. Provisions protecting utility installations are part of the resolution.

The adoption of the attached resolution is recommended.

Respectfully submitted,
 CLYDE R. HOPKINS
 Director

By Council Member Ravitz:
