City Engineering Department
 October 18, 1993

Honorable City Council:
 Re: Petition No. 2600. Linwood —
 Dexter Congregation(s) of
 Jehovah's Witnesses. Alley to

Easement, easterly part of the east-west public alley in the block bounded by Dexter, Wildemere, West Chicago, and Rochester; also dedication of new alley outlet into Rochester.

Petition No. 2600 of "Linwood — Dexter Congregation(s) of Jehovah's Witnesses" requests the conversion of the easterly part of the east-west public alley, 18 feet wide, in the block bounded by Dexter Boulevard, Wildemere Avenue, West Chicago Boulevard, and Rochester Avenue into an easement for public utilities.

The petitioner has purchased vacant city-owned land to construct a new double-auditorium meeting facility. The sale of the city-owned land was approved by your Honorable Body on July 29, 1992 (J.C.C. pages 1714-15). It is necessary to vacate the referenced portion of public alley to consolidate the development parcel (address: 3300 West Chicago Boulevard).

The requested conversion was approved by the Community and Economic Development Department with the recommendation that land be dedicated for a new public alley outlet into Rochester. The petition was referred to the City Engineering Department for investigation (utility clearances) and report. This is our report:

The petitioner has submitted a warranty deed to set-aside land for the new public alley outlet into Rochester. The deed has been approved by the City Engineering Department as to legal description, and the Law Department as to form and execution. However, the new replacement (north-south) public alley must be made suitable for public use at no expense to the city.

The petitioner has deposited the following city department reimbursement cost:

Department of Public Works — Street Maintenance Division: \$7,000.00, Cash Receipt Voucher (CRV) No. 202901. Deposit to construct a concrete public alley, catch basin(s), backfill material, concrete public alley approach, top soil, and seeding for the new public alley outlet into Rochester (block bounded by Dexter, Wildemere, West Chicago, and Rochester);

City departments and privately-owned utility companies have reported no objection to the conversion of public right-of-way into a utility easement. Provisions protecting utility installations are part of the resolution.

An appropriate resolution, granting the petition, is attached for consideration by your Honorable Body.

Respectfully submitted,
