Honorable City Council:

Re: Petition No. 3102, City Engineering Department, Tiger Stadium Renovation Project, Street to Easement and Encroachments, Kaline Drive between Trumbull and Cochrane; also encroachments associated with the new Tiger Plaza into Trumbull and Michigan.

Petition No. 3102 of the "City Engineering Department" requests the conversion of Kaline Drive, 50 feet wide,

between Cochrane and Trumbull Avenues into an easement for public utilities. The City of Detroit is the owner of Tiger Stadium. Plans to develop the new "Tiger Plaza" will require the consolidation of city properties (south of the Fisher Freeway Service Drive, including Kaline Drive) to replace parking spaces taken for the "plaza". Also, the new "Tiger Plaza" will encroach about 8.50 feet into the west side of Trumbull Avenue (100 feet wide), and about 5.00 feet into the north side of Michigan Avenue (120 feet wide).

Plans have been submitted for review and permits to the Buildings and Safety Engineering Department and the City Engineering Department. The matter of (1993) Tiger Stadium renovations has been thrice brought before your Honorable Body (January 29, 1993; February 5, 1993; and March 11, 1993). Further, together with a letter from the City Engineering Department (dated March 22, 1993) plans and contract documents were transmitted to City Council in response to your written request.

The City Engineering Department has consulted with the Michigan Department of Transportation (M-DOT— for the encroachments into Michigan Avenue, a State trunkline. Generally, the City has received verbal approval, and the permit applications have been submitted to M-DOT.

The public street closing and encroachments have been approved by the Department of Public Works — Traffic Engineering Division. Also, the City Engineering Department has obtained clearances from all involved city departments and privately-owned utility companies. Provisions protecting utility installations are part of the resolution.

Four underground fed street lamps will be maintained within Kaline Drive by the Public Lighting Department (PLD) under the terms and conditions of a service agreement (for monthly payment) between PLD and the "Tiger" owners.

An appropriate resolution is attached for consideration by your Honorable Body.

Respectfully submitted,  
 CLYDE R. HOPKINS,  
 Director
