Honorable City Council:

Re: Petition No. 3619. Murray Lighting Company, et al (together with the Housing Department) Alley to Easement east-west public alley in the block bounded by Griggs, Ilene, Norfolk and W. 8 Mile.

Petition No. 3619 of "Murray Lighting Company, et al (together with the Housing Department)" requests the conversion of the east-west public alley, 18 feet wide, in the block bounded by Griggs, Ilene and Norfolk Avenues, and W. Eight Mile Road into a private easement for public utilitiers. [NOTE: The first two lots south of the alley are under the jurisdiction of the Detroit Housing Department, having been dedicated as parking bays; being part of the Eight Mile-Wyoming Rehabilitation Project. — October 31, 1972 - J.C.C. page 2694.]

The requested conversion was approved by the Planning and Economic Development Department, Solid Waste Division — DPW, and Traffic Engineering Division — DPW. The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report:

The petitioner(s) plan to use the paved alley return entrances (into Griggs and Ilene Avenues) and requests such remain in their present status. The petitioner(s) shall pay all incidental removal costs whenever discontinuance of use makes removal necessary.

City departments and privately-owned utility companies have reported no objections to the conversion of public rights-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the resolution.

The adoption of the attached resolution is recommended.

Respectfully submitted,  
WILLIAM L. TALLEY
