Honorable City Council:

Re: Petition No. 3950. Society of St. Vincent DePaul, et al. Alleys to Easement remaining public alleys in the triangular block bounded by Gratiot, McDougall and Heidelberg.

Petition No. 3950 of "Society of St. Vincent DePaul" requests the conversion of the remaining public alleys, 20 feet wide, in the triangular block bounded by Gratiot and McDougall Avenues, and Heidelberg Street into a private easement for public utilities.

The requested conversion was approved by the Planning and Development Department, Solid Waste Division — DPW, and Traffic Engineering Division — DPW. The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report:

The petitioner plans to use the paved alley return entrances (into Heidelberg Street and McDougall Avenue) and requests such remain in their present status. The petitioner shall pay all incidental removal costs whenever discontinuance of use makes removal necessary.

City departments and privately-owned utility companies have reported no objections to the conversion of public rights-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the resolution.

The adoption of the attached resolution is recommended.

Respectfully submitted,
WILLIAM L. TALLEY
Head Engineer

By Council Member Cockrel:

verted into a private easement for public utilities of the full width of the alleys, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said alleys and by their heirs, executors, administrators and assigns, forever to wit:

First, said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alleys herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public alley in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth,

Fifth, that if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and further

Provided, That if it becomes necessary to remove the paved alley return(s) at the entrance (into Heidelberg Street and/or McDougall Avenue), such removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heirs or assigns; and further

Honorable City Council:

Re: Addendum to Public Alley Vacation Petition. Petition No. 2449 (from 1984), Fitzpatrick Associates, a/k/a Chem-Strip Co., Inc. Alleys to Easement, "L"-shaped public alleys first north of Fitzpatrick and east of Evergreen. Purpose of Addendum: To transfer city fee ownership of the east-west public alley (Lot 147 of "Fogles Plymouth Evergreen Park Subdivision," City of Detroit, Wayne County, Michigan as recorded in L. 57, P. 59, Plats, WCR;) to Edby Enterprises;

On March 28, 1984 (J.C.C. pages 545-46) a resolution was adopted by City Council converting the "L"-shaped public alleys, 20 feet wide, first north of Fitzpatrick Avenue and east of Evergreen Road into a private easement for public utilities. The alley vacation resolution did not effectuate the transfer of Lot 147 of "Fogles Plymouth Evergreen Park Subdivision", City of Detroit, Wayne County, Michigan as recorded in Liber 57, Page 59, Plats, Wayne County Records.

The city is owner in fee of said Lot 147; having been deeded to the city and dedicated as a public alley right-of-way on October 25, 1927 (J.C.C. page 3037).

Therefore, the Finance Director must execute a quit-claim deed to transfer the vacated and converted part of public right-of-way to "Chem-Strip Company, Inc./Edby Enterprises."

The adoption of the attached resolution is recommended.

Respectfully submitted,
WILLIAM L. TALLEY,
Head Engineer

By Council Member Cockrel:

"Land in the City of Detroit, County of Wayne, Michigan being all of Lot 147 of 'Fogles Plymouth Evergreen Park of part of the West Half of the Southwest Quarter of Section 26, Town 1 South, Range 10 East,' as recorded in Liber 57, Page 59, Plats, Wayne County Records; said Lot 147 having been deeded to the city for public alley purposes on October 25, 1927 — J.C.C. page 3037, containing 2,000 square feet or 0.0459 acre more or less; subject to a private easement of public utilities (within the City Council resolution adopted on March 28, 1984 — J.C.C. pages 545-46)."
