Honorable City Council:

Re: Petition No. 1419, Detroit Opera House, Michigan Opera Theatre, Alley(s) to Easement remaining part of "V-shaped" public alley(s) in the block bounded by Witherell, John R, Broadway, and Madison;

Petition No. 1419 of "Detroit Opera House" requests the conversion of the remaining part of the "V-shaped" public

alley(s), 20 feet wide, in the block bounded by Witherell and John R Streets, Broadway and Madison Avenues into a private easement for public utilities.

The requested conversion was approved by the Planning and Development Department, and Traffic Engineering Division — DPW. The petition was referred to the City Engineering Division—DPW for investigation (utility review) and report. This is our report:

The city owns all public rights-of-way in the "Governor and Judges Plan" in fee. Therefore, the Finance Director must execute a quit-claim deed to transfer vacated public rights-of-way to the "Michigan Opera Theatre."

The petitioner plans to use the paved alley return entrances (into John R Street) and requests such remain in their present status. The petitioner shall pay all incidental removal costs whenever discontinuance of use makes removal necessary.

City departments and privately owned utility companies have reported no objections to the conversion of public rights-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

SUNDAY JAIYESIMI

City Engineer

By Council Member Scott:
