Honorable City Council:

Re: Petition No. 1963. Crosswinds Communities. Vacation of existing easements for water and sewer in Parcel 7A, Elmwood Park Rehabilitation Project No. 3, area bounded by Bradby, Prince Hall, McDougall and Joseph Campau.

Petition No. 1963 of "Crosswinds Communities" requests the vacation of existing easements for water and sewer in Parcel 7A of "Elmwood Park Rehabilitation Project No. 3" (generally) within the area bounded by Bradby and Prince Hall Drives, (vacated) McDougall and Joseph Campau Avenues.

The petition was referred to the City Engineering Division — DPW [by the City Clerk on February 28, 1996] for investigation and report. This is our report:

The public streets and alleys within Parcel 7A (a/k/a Lot 47 of "Elmwood Park Urban Renewal Plat No. 3", City of Detroit, Wayne County, Michigan as recorded in Liber 100, Page 65, Plats, Wayne County Records;) were vacated by City Council on June 7, 1978 — J.C.C. pages 1613-23. Therefore, private easements within privately owned land, reserved exclusively for water and sewer, must be reviewed and approved in their entirety by the Water and Sewerage Department [DWSD].

City Council previously adopted one resolution connected with the Crosswinds

Community project, prepared in its entirety by DWSD, on June 17, 1981 — J.C.C. pages 1427-28. This may be the resolution referred to in Petition No. 1963. If this water easements within privately owned land must be prepared in its entirety by DWSD.

The DWSD is responsible for the resolution connected with Petition No. 1963. I should be referred to DWSD. (NOTE: City Council previously adopted a second resolution connected with the Crosswinds Community project, prepared in its entirety by DWSD, on January 10, 1996 — J.C.C. pages 77-78.)

I am sending a copy of this report to "Crosswinds Communities, Inc." and DWSD.

Respectfully submitted,
SUNDAY JAIYESIMI
City Engineer
