Re: Petition No. 2634 Ummat Wasat, Inc.  
Alley to Easement westerly part of east-west public alley first north of E. 7 Mile, between Caldwell and Syracuse.

Petition No. 2634 of "Ummat Wasat, Inc." requests the conversion of a western part of the east-west public alley, 20 feet wide, first north of E. Seven Mile Road between Caldwell and Syracuse Avenues

into a private easement for public utilities.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report:

The requested alley closing was approved by Planning and Development Department, Recreation Department, Solid Waste Division — DPW, and Traffic Engineering Division — DPW.

The petitioner plans to use the paved alley return entrance (into Caldwell Avenue): and requests such remain in its present status. The petitioner shall pay all incidental removal costs whenever discontinuance of use makes removal necessary.

City departments and privately owned utility companies reported no objections to the conversion of public rights-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
