

tribute twenty percent (20%) in matching funds which will be realized through in-kind services. The revised match is \$62,974.

The contract adjustments of the Domestic Violence Project are the following:

(1) New project period — July 1, 1996 to September 30, 1997 (from June 30, 1997).

(2) Hire five full time social workers.

(3) Provide crisis intervention, follow-up and group counseling to victims of domestic violence.

(4) Provide information and referrals to victims of domestic violence.

This grant will involve the Sex Crime Unit, the Domestic Violence Task Force, and the Rape Counseling Center. This amendment allows expansion of the current grant to provide victim support and counseling to a greater number of victims of domestic violence.

Approval of participation in this program will enable the Detroit Police Department to continue its efforts to improve the quality of victim services in Detroit.

It is respectfully requested that your Honorable Body authorize the Detroit Police Department to participate in this program.

Respectfully submitted,  
ISAIAH MCKINNON, PH.D.  
Chief of Police

Approved:

JON MESSNER  
Deputy Budget Director  
ROGER SHORT  
Deputy Finance Director

By Council Member Ravitz:

Resolved, That the Police Department be and it is hereby authorized to accept a grant amendment awarded to the City of Detroit from the Michigan Crime Victims Compensation Board in accordance with the foregoing communication in the amount of \$251,894, with an in-kind service match of \$62,974, for the "Rape Counseling Center/Domestic Violence Project", and be it further;

Resolved, That the Finance Director be and is hereby authorized to establish accounts, transfer funds and honor vouchers when presented as outlined in the foregoing communication.

Adopted as follows:

Yeas — Council Members Cleveland, Cockrel, Everett, Hill, Hood, Ravitz, Scott, Tinsley-Williams, and President Mahaffey — 9.

Nays — None.

Honorable City Council:

Re: Petition No. 2830, Wendy's International, Inc. Alley to Easement

easterly half of east-west public alley in the block bounded by Livernois, Woodside, Grand River, and Collingwood.

Petition No. 2830 of "Wendy's International, Inc.", requests the conversion of the easterly half of the east-west public alley, 15 feet wide, in the block bounded by Livernois, Woodside, Grand River, and Collingwood Avenues into a private easement for public utilities.

The requested conversion was approved by Solid Waste Division — DPW, and Traffic Engineering Division — DPW. The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report:

The petitioner plans to use the paved alley return entrance (into Woodside Avenue) and requests such remain in its present status. "Wendy's International, Inc." shall pay all incidental removal costs whenever discontinuance of use makes removal necessary.

City departments and privately owned utility companies have reported no objections to the conversion of public rights-of-way in to a private easement for public utilities. Provisions protecting utility installations are part of the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
SUNDAY JAIYESIMI  
City Engineer

By Council Member Everett:

Resolved, All that part of the east-west public alley, 15 feet wide, in the block bounded by Livernois, Woodside, Grand River, and Collingwood Avenues lying southerly of and abutting a southwestern line of Lots 71 and 72; also lying northerly of and abutting the north line of the western 6.42 feet of Lot 8, the eastern 6.63 feet of Lot 13, and Lots 9 thru 12 of "Frank G. Reaume and Othmar Gschwind's Subdivision of a part of Fractional Section 34, Town 1 South, Range 11 East, Greenfield (Township)," City of Detroit, Wayne County, Michigan as recorded in Liber 15, Page 79, Plats, Wayne County Records;

Be and the same is hereby vacated as a public alley and is hereby converted into a private easement for public utilities of the full width of the alley, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said alley and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purpose of maintaining, installing, repairing, removing, or replacing public utilities such as

water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public alley in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth.

Second, Said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned tasks, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition.

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls, (except necessary line fence; said fence and gate installations shall be subject to the review and approval of the Fire Marshal and Buildings and Safety Engineering Department, if necessary) shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW.

Fourth, That if the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of any existing poles or other utilities in said easement, such owners, shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and further

Provided, That if it becomes necessary to remove the paved alley return at the entrance (into Woodside Avenue), such removal and construction of new curb and

sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heirs or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Adopted as follows:

Yeas — Council Members Cleveland, Cockrel, Everett, Hill, Hood, Ravitz, Scott, Tinsley-Williams, and President Mahaffey — 9.

Nays — None.

City Engineering Division**

May 2, 1997

Honorable City Council:

Re: Petition No. 2538, Soil and Materials Engineers, Inc. [SME] Requesting permission to install and maintain two monitoring well(s) encroaching within public rights-of-way in the vicinity of the Federal Reserve Bank address: 160 W. Fort, east of Shelby.

Petition No. 2538 of "Soil and Materials Engineers, Inc. [SME] (for the Federal Reserve Bank of Chicago)" requests permission to install and maintain one monitoring well within Shelby Street (60 feet wide); also one monitoring well within the east-west public alley [20 feet wide; in the block bounded by Shelby, Griswold and W. Fort Streets, and W. Lafayette Boulevard (a/k/a "Federal Court")] in the vicinity of the Federal Reserve Bank Building (address: 160 W. Fort). The purpose of the bored wells is to detect soil contaminates from leaking underground fuel storage tanks (a/k/a "L.U.S.T.").

The encroachment petition was referred to the City Engineering Division — DPW for investigation and report. This is our report:

Monitoring well installations are equivalent to an "open cut" in a public street or alley. Necessary permits will have to be obtained for any street or alley opening, backfill, surface restoration, barricade, or occupancy of city rights-of-way to install monitoring wells.

It is the responsibility of "Soil and Materials Engineers, Inc." to give reasonable and proper notice to the other abutting property owners (addresses: 137-47 and 131 W. Lafayette Boulevard; 719 and 751 Griswold Street) before commencing any (permit) open cut or boring operations within public rights-of-way.

The enforcement of fire safety regulations and building codes is the responsibility of the Fire Marshal and Buildings and Safety Engineering Department. However, the Fire Marshal and Buildings and Safety Engineering Department reported no objections to the placement
