Petition No. 2838 of "Arbor Drugs (together with Diamond Construction Company and F. Matthew Ray, Architect)" requests the (outright) vacation of an easterly part of the utility easement [about 20 feet wide; having been previously vacated and converted into a private easement for public utilities by City Council on May 8, 1973 — J.C.C. pages 1231-32] in the block bounded by Greenfield, Prest and Chippewa Avenues, James Couzens Drive. The outright vacation is necessary to build a new Arbor Drugs Store.

The requested vacation was approved by the Planning and Development Department, and Traffic Engineering Division — DPW. The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report:

The petitioner(s) have paid two privately owned utility companies (Ameritech/Michigan Bell Telephone Company and Comcast Cablevision) to relocate and/or alter utility services.

All other city departments and privately owned utility companies reported no objections to the requested (outright) vacation.

I am recommending adoption of the attached resolution.
