Honorable City Council:

RE: Petition No. 2998 Starr Commonwealth Alley to Easement westerly part of the east-west public alley in the block bounded by Cloverlawn, Roselawn, Joy Road and Stawell.

Petition No. 2998 of "Starr Commonwealth" requests the conversion of a westerly part of the east-west public alley, 20 feet wide, in the block bounded by Cloverlawn and Roselawn Avenues, Joy Road and Stawell Avenue into a private easement for public utilities.

The alley closing was approved by Planning and Development Department, Solid Waste Division DPW, and Traffic Engineering Division - DPW. The petition was referred to the City Engineering Division - DPW for investigation (utility review) and report. This is our report:

Starr Commonwealth plans to use the paved alley return entrance (into Cloverlawn Avenue) and requests such remain in its present status. Starr Commonwealth shall pay all incidental removal costs whenever discontinuance of use makes removal necessary.

City departments and privately owned utility companies reported no objections to the conversion of public rights-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

SUNDAY JAIYESIMI

City Engineer
