**Department of Public Works
City Engineering Division**

November 25, 1997

Honorable City Council:

Re: Petition No. 3910, Cathedral Faith Church. Alley to Easement easterly part of the east-west public alley in the block bounded by Trinity, Burt, Schoolcraft and Kendall

Petition No. 3910 of "Cathedral Faith Church," requests the conversion of an easterly part of the east-west public alley, 18 feet wide, in the block bounded by Trinity Avenue, Burt Road, Schoolcraft and Kendall Avenues into a private easement for public utilities.

The alley closing was approved by Solid Waste Division — DPW, and Traffic Engineering Division — DPW. The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report:

Cathedral Faith Church plans to use the paved alley return entrance (into Burt Road) and requests such remain in its present status. The church shall pay all incidental removal costs whenever dis-

continuance of use makes removal necessary.

City departments and privately owned utility companies reported no objections to the conversion of public rights-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
SUNDAY JAIYESIMI
City Engineer
